

# PRE SCHOOL STUDENTS WORTH APPRECIATING

In every classroom, children display different learning styles and abilities. Some students grasp concepts quickly, while others progress steadily at their own pace. At VISMA Pre School, we strongly believe in appreciating and valuing every child, as each one is unique in their own way.

As the saying goes, “Every child is a star; some just take a little longer to shine.” We recognize that all children are trying their best, and with constant encouragement and support, they will surely shine brighter each day.
