

HUGE APPRECIATION- PRE-SCHOOL

Every child has a special spark that makes them unique. At Visma Preschool, we believe that appreciation and encouragement help children discover their strengths, build confidence, and blossom into happy and enthusiastic learners. From being kind and helpful to showing curiosity, discipline, creativity, and a positive attitude, every little effort deserves to be celebrated.

This month, we are delighted to appreciate another wonderful set of our little stars from Nursery, Jr. KG, and Sr. KG. Their sincere efforts, positive behaviour, active participation, and individual qualities have made them truly deserving of recognition.
